NEW O.S.C.A.R. SOUTH OTAGO

Out of School Care and Recreation
Programme

‘Kool Kids having Fun’

Is now in your neighbourhood

Come along and check us out!

The door is always open

O.S.C.A.R. is a safe out of school care programme that provides your child with new skills and confidence while building essential life skills through varying activities. Our Programme is Ministry Social Development Approved, which allows those eligible families' access to WINZ Subsidies.

We now operate 3 programmes – Before School, After School and Holidays.

Emergency, Casual, or Full Time Care is available

Our staff are competent in caring for children and receive on going training to ensure your child is receiving the best possible care.

We practice an open door policy so you can feel free to call in at any time and share the experiences with your child. This also entails staff spending a few minutes when you pick up your child to personally greet you and explain the days activities, or to deal with any concerns you may have.

O.S.C.A.R. offers your child an interesting and varied programme consisting of

- ✓ Transported to OSCAR from local schools in the afternoon and transported to local Schools in the morning
- ✓ Nutritional afternoon tea
- ✓ Structured learning
- ✓ Free play
- ✓ Art and Crafts
- ✓ Music/Drama
- ✓ Games & Outdoor Exploration
- ✓ Community outings e.g Library, Swimming Pool, etc.
- ✓ Social skills
- ✓ Help with homework (if requested by Caregivers)

Why not come along and check us out!
